## REMINDER!

Schedulers-

It is recommended that a no transmit reservation be entered into the VOSS system if there are sites in your area that will be closed between the Christmas and New Year holidays.

This will assist in preventing confusion causing participants to arrive for a session when sites are closed.

Please remember to check your schedules and remove any classes that are not intended to run on those days.

If you have any questions, contact Julie Johnson at [icn.video@iowa.gov](mailto:icn.video@iowa.gov)
